President's Message

Hello Everyone,

My name is Tom Davis and I am your new President for 2014. I hope you all had an enjoyable Christmas and New Years. I would like to take the time to introduce myself; though some of you already know me from the 2 years I served as president of our sister club, the UNS Coin Club. I have been a member of NUTS for about 3 ½ years. I have been happily married for 37 years, with 6 children and 6 grandchildren, with whom I would spend all day everyday, if I could - for they are so cute. I'm self employed at a business that sells auto accessories to car dealers throughout the Intermountain West. I have many interests and hobbies: a love to read most any type of book, collect coins (which I've done since 8 years old), collect other things too (like knives, stamps, and pins). I enjoy all types of outdoor activities and have developed a new love for running. I started running two years ago and I'm up to 7 miles, 3 days a week. I sign up for 5K, 10K and ½ marathons to keep me motivated to get up in the mornings to run.

This past year's Club Christmas party was a huge success. We had a great turnout at Chuck-A-Rama, with good food and plenty of raffle prizes. I think most everyone won something and congratulations to those that won gold pieces. Everyone had an enjoyable time. We want to thank those that helped out in planning, securing prizes and making the evening run smoothly.

This months meeting will feature Stuart Burgess from Burgess Exploration LLC.
www.burgex.com

From their web site: "A Utah company that specializes in the access, staking, and documentation of abandoned mine sites and new mining projects across the Western United States". It will be a very interesting meeting.

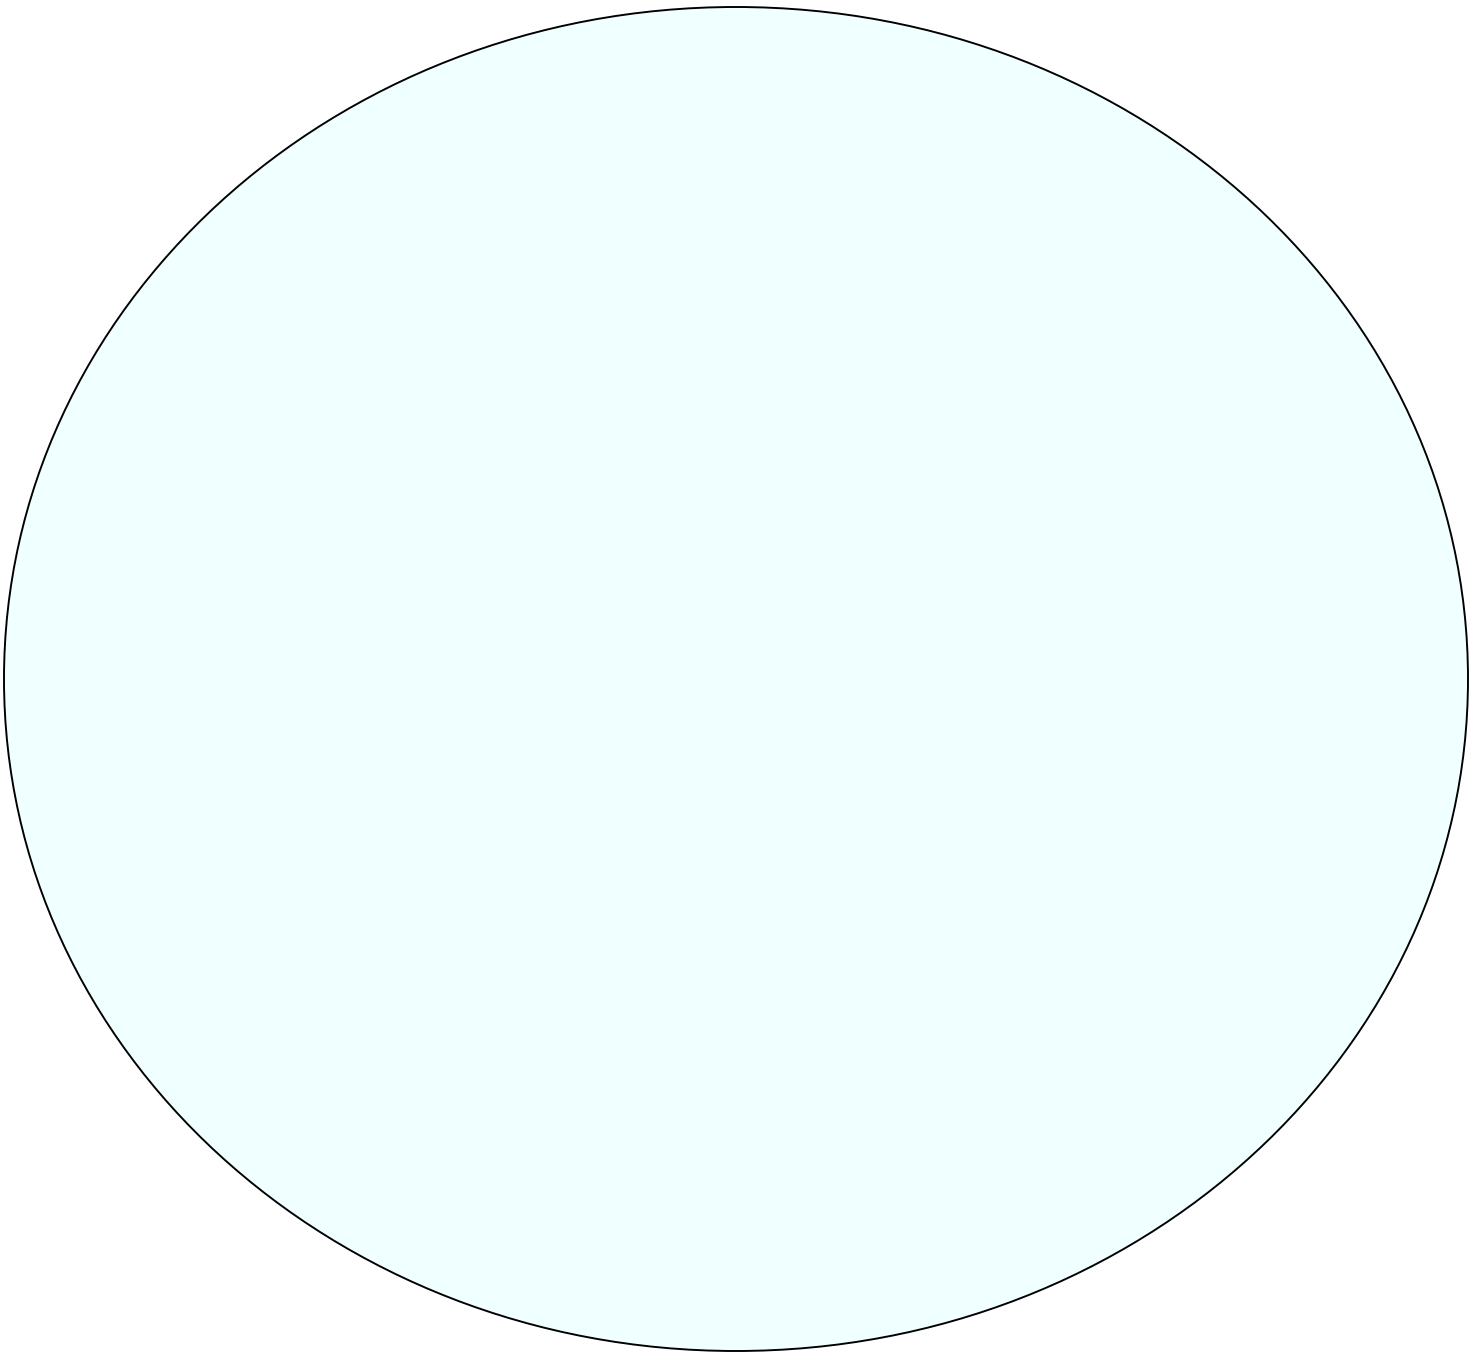

See you there,
Tom Davis

Seeking Token Design Entries for 2014

The winning token design will be chosen in February's meeting

N.U.T.S. MEDAL DESIGN SUBMISSION

NUTS members it is time to submit your designs for the club medal. There is no specific theme required for the medal. Photographs may be used for a design as well as artwork. If a photo is used it needs to be sharp and clear with distinct lines. For example pictures of buildings work well. **Remember permission must be obtained to use copyrighted material.**
